

TERROR IN SHINGLE SPRINGS

BY PAUL DALE ROBERTS, HALO PARANORMAL INVESTIGATIONS

The homeowner of this California home reported being haunted by three spirits.

The HPI team recently investigated a home in Shingle Springs, California. The homeowner, Janet, called to say she was being haunted by three ghosts. The spirits haunting the property reportedly included Jonathan, who had died in a DUI car crash; a female ghost; and a little girl ghost.

Janet reports that Jonathan has been “harassing” her, slamming down on her bedroom mattress and breathing heavy into her ear, saying, “Hi, hi!” Janet has seen a full-bodied apparition of Jonathan. He was wearing a T-shirt and blue jeans. She said he appeared to be very clean cut. The female ghost was also making Janet feel very uncomfortable, while the little girl’s spirit has said, “Daddy, don’t leave me.”

A psychic medium said there is a portal in Janet’s

son’s room, but another psychic said she didn’t feel any portal. Janet does feel as if she has a spiritual attachment. The paranormal happenings in this home are all centered on Janet. Janet’s two cats do not sense anything paranormal, and Janet’s husband doesn’t experience anything paranormal.

Janet wanted the entities in her home to leave. Given this information, our team decided to conduct an investigation, cleansing, and baptism at Janet’s house.

The Investigation

The HPI investigators present during the investigation included myself; Catherine Marie Defazio, counselor and psychic reader; Xandean Smith, documentarian; Christian Appel, documentarian; Cherie Llacuna, reiki master; and

“Detrick the EMF Bear.” We conducted a full investigation of the home, including the first and second floors.

I did an EVP sweep, and I wasn’t getting anything for quite some time. But, suddenly, Detrick the EMF Bear started sounding the alarm. I immediately placed my recorder by the bear and captured an EVP of a male voice saying, “What xxx xxx.” I was not able to make out the

last two words. Janet verified that this was the voice of the entity that had been harassing her. The EVP was captured in her bedroom at her side of the bed.

We also investigated the attic. Xandean went inside the attic, and I was situated behind Xandean on the stairs. I captured a mumbling EVP, but I was unable to tell if it was a male or female. Altogether, we captured the two EVPs.

When I first heard about this case, I thought it might be demonic. But after the investigation, I determined that Janet had a mischievous entity in her home.

There was some debate between previous psychics investigating Janet’s home about a portal in the close. Catherine did not sense a portal in the closet, and we didn’t pick up any indications of one. I have dealt with portals before and usually capture evidence immediately. But, just in case, I closed the portal with a house blessing.

Catherine did a reading and discovered some personal family issues. Janet verified that Catherine was correct, that she was “spot on.”

I conducted a Roman Catholic blessing of the home and performed a “sprinkle-on” baptism, which is known as an aspersion baptism. Cherie used her pendulum to ask a few questions, and she received positive information from her pendulum in regard to the Aspersion. Case closed. ♦
